В задании "Reading" часть 1 (Part 1) в вопросе 3 написано "What does underlined 'these' refer to?" Это, в моем понимании, переводится как "Что обозначает подчеркнутый these?" Однако в моем бланке с заданием нет подчеркнутого these в задании "Reading".

Для своего ответа в результате отсутствия подчеркнутого слова я выбрала слово these в первом предложении второго абзаца: "The youngest of these was twenty-one and the oldest fifty-one".

Recently I found out a website named Pixlr. As I have been using it for a whole year, I would like to share my review of it.

Pixlr is a website which purpose is to edit ~~various types of content~~ for editing and creating various types of content, such as pictures, collages or presentations. The design is easy to understand and work with. Dark theme of graphics allows to easily work at night. The website has ~~some~~ ^{different} special features, such as adding text, frame or ornament ~~it~~ ^{plenty of} to the picture, drawing with digital brush, integrating ~~new~~ ^{different} files into others. It also has some special features, so for example, you can listen to relaxing music chosen by website's developers or download a desktop app named the same as the website with all features, so you can work with it without access to internet.

I definitely recommend using Pixlr for any type of work with digital content because the website is easy to use yet it has many features.
